### **DETAILED ACTION**

1. In response to the notice of allowance mailed on 5/25/2006, the applicant has submitted a request for continued examination and information disclosure statement (IDS), which were both filed on 8/18/2006. Upon consideration of the IDS, the examiner notes that claims 1-3, 7-11, and 15-16 are allowable over the prior art of record for the reasons below.

#### ***Information Disclosure Statement***

2. The information disclosure statement (IDS) submitted on 8/18/2006 has been considered by the examiner.

#### ***Allowable Subject Matter***

3. **Claims 1-3, 7-11, and 15-16** are allowable over the prior art of record.

4. The following is an examiner's statement of reasons for allowance:

Claims 1-3, 7-11, and 15-16 are allowable over the prior art of record for the reasons set forth in the notice of allowance mailed on 5/25/2006.

Additional pertinent prior art:

Obradovich et al (*U.S. Patent Publication: 2002/0013815*) discloses a system for message prioritization that contains a list of user-selected keywords for each sender profile (*Paragraphs 71-73*). Obradovich, however, discloses that the plurality of keywords in each list

Art Unit: 2626

is only used for prioritization and not for summarizing a message as is recited in the presently claimed invention. Further, Obradovich makes no suggestion that such sender-based keyword lists can be used for summarization. Obradovich is also silent on message conversion based on priority and a plurality of media converters, as is recited in the presently claimed invention.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
